Epstein knew that I was 13 years old.

5. Defendant Trump had sexual contact with me at four different parties in the summer of 1994. On the fourth and final sexual encounter with Defendant Trump, Defendant Trump tied me to a bed, exposed himself to me, and then proceeded to forcibly rape me. During the course of this savage sexual attack, I loudly pleaded with Defendant Trump to stop but he did not. Defendant Trump responded to my pleas by violently striking me in the face with his open hand and screaming that he would do whatever he wanted.

Jane claims a 12-year-old named Maria was forced to be involved in the third encounter. She never saw Maria again after that.

Following the rape, Jane says Trump threatened to hurt her and her family if she ever told anyone. He suggested he could make her "disappear like Maria."

Jane is not the only witness offered in this filing. A woman using the pseudonym "Joan Doe" attests that she is willing to testify that Jane told her about the sexual encounters with Trump and Epstein "in the 1994-95 school year."

Here is her sworn declaration:
