Hi Jeffrey ♦ Will you be joining Senator Gillibrand for breakfast tomorrow morning with Kathy Hochul? We ♦ will be celebrating her *New York Times* ♦ endorsement:

"New York ♦s 27th Congressional District (the state ♦s northwest corner) Representative Kathy Hochul, a Democrat, is in a close race with Chris Collins, a Republican former Erie County executive. He wants to overturn health care reform and has criticized Ms. Hochul for supporting more spending on schools and other services in her area. She describes herself as a moderate and voted against the Ryan budget. She is by far the better candidate."

Tomorrow ♦s breakfast is in midtown ♦ let me know if you want details. - Darren
