Dear Jeffrey,

Perhaps you heard people talk about him or his race. Perhaps you read about his chances. Well, on Tuesday night, Martin Heinrich will be in NYC for his last visit before Election Day. Heinrich is the Democrat running for US Senate in New Mexico and Senator Schumer is hosting a small fundraiser that night, Oct. 2. Your support would be critical.

The Heinrich schedule is set and his campaign is making final media buys. Martin is working hard and doing well. The most recent polls have him up by 8 points!

We need one last event, one last push, one last chance for New Yorkers like you and Chuck Schumer to stand up and fight side by side to protect our Democratic Majority.

Please RSVP by emailing me or by making a contribution online at <http://www.martinheinrich.com/contribute>

Below are the event details with contributions ranging from \$250 to \$2500.

I hope you can join us! - Darren

Hussam Ahmad, Polly Cleveland & Dr. Tom Haines, George T. Frampton, Jr., Paul Kolaj, Steven Pesner, Dr. William Schlesinger, Susan Sommer & Stephen Warnke (Committee in Formation)

And US Senator Chuck Schumer

Invite you to a reception in support of Rep. Martin Heinrich - Candidate for US Senate in New Mexico

With a background in science and technology, Martin would be the only engineer in the US Senate and bring a unique perspective as we seek to create good, sustainable jobs in growing industries like clean energy and biotechnology.
