Dear Jeffrey,

We need your help. It's been all over the press lately - the Romney Titanic is sinking, so now the conservative Super-PACs are focusing on US Senate races. Congressman Martin Heinrich, the Democratic nominee for Senate in New Mexico, is no exception. Karl Rove just put in a large ad buy against him - you can see the horrible, misleading attack ad at http://www.youtube.com/watch?v=KH_yxDXpre8

We must fight back! Our Senator Chuck Schumer is leading the charge by hosting an event in NYC for Martin on the evening of October 2nd. **This will be Martin's LAST trip to NYC before the election**, so I hope you can join us and show your support for our next US Senator.

Details about the event are below. It would be terrific if you would join the Host Committee or buy a ticket and attend. Even if you cannot attend, please consider making a contribution at www.martinheinrich.com/contribute

Thank you for all your help and support. Hope to see you on October 3rd. 💎 Darren

Hussam Ahmad, Polly Cleveland & Dr. Tom Haines, George T. Frampton, Jr., Paul Kolaj, Steven Pesner, Dr. William Schlesinger, Susan Sommer & Stephen Warnke (Committee in Formation)

And US Senator Chuck Schumer

Invite you to a reception in support of Rep. Martin Heinrich - Candidate for US Senate in New Mexico

With a background in science and technology, Martin would be the only engineer in the US Senate and bring a unique perspective as we seek to create good, sustainable jobs in growing industries like clean energy and biotechnology.
