Yes I leave this coming Monday and get back to NY on the 17th..
When I get back, I am hoping that I will have another option finalized here in NY. I should know by the 21st or so and I'll move out for good once its all finalized. Would be more likely around the 22nd.

Thanks ladies!

Hi Sam...thank you for letting me know of your plans to be away June 11-17

...when you say you hopefully will move everything out by June 22nd, does that mean you are moving out for good?

We will have your apartment cleaned while you are away for sure just in case we do need it.

Just clarify for me what your ultimate plans are!! Thanks and I hope all is well.

Hi [REDACTED],

hope you are well...

I am just letting you know that I will be away from June 11th (night) till June 17th (afternoon).
I will be moving some of my stuff out and leaving some in the front closet like I did in the past. When I get back I will stay from the June 17th till June 22nd and will most likely move every thing out by that time.. I am just waiting to finalize some details but hope they will be all finalized by that time.

As far as cleaning, I will straighten up and manage till I leave on Monday. If some one is staying here while I am gone, the apt definitely needs cleaning. If not, I hope I can have it cleaned before I get back. Whatever works.

Thanks so much.
Sam

So check in next week and lets see where we stand.
