Immediately following. I think it will be less formal since it is a Sunday afternoon. It's supposed to be 86 degrees and sunny. So something strappy would work. :). And I saw the email from Brian. I'll let donna know.

Is the reception immediately following ceremony or at night time? Give me a little more detail. Is it casual? Smart casual type thing? Are men wearing suits or just dress pants and a collar shirt no tie? I have to look in my closet

yes - email him

Is BLVD 18 where you and I met? I wasn't crazy about their bar area -- so small -- what is Carp Diem like? I also like the idea of open doors if the weather is nice (I think it supposed to be, but who knows!) - - but, like you said, nothing is going to be rockin that early. . . if he can't meet us, I'm going to ask her if she'll come here (lots of driving for me to NC, as I'm thinking I won't take the Merritt, but rather just go as if I'm going home, but continue on to NC)

for 6:30-7:30 no place is going to be rocking. chef luis keeps it's doors open which is nice...Elm is the new place in town...they had no american beers so ike didn't want to stay. BLvd 18 would be most convenient for me since I need to scoot around the corner to carpe diam...so maybe blvd 18. do you want me to email brian feeny?

...and yes, being happy is good.

yes -- in general, "being happy" is a good thing for sure --- and I think this may make all of us feel good - - b/c it was tense last night and this am. . . . I literally just thought about asking Laura this morning when I was on the treadmill. . . everything was just moving too fast --- at least I can say, I def convinced (or "stuck to my guns") re: we can NOT take from our IRA -- it just didn't make sense.

where do you suggest we meet? I'm open to places and she is too.

great to hear on the loan... glad Pete can be happy about it...better for you and him being happy with your job, etc...being happy in general is good.

I do have Brian Feeny's email address. Where are y'all going to meet? I can tell him you and Donna will be there and it is possible Ike and I show for a quick one, but not sure if we will...I would like to meet Donna as well though!

Laura was actually very positive about the loan and was showing me how they can work the "friends & family" deal (for employees of the bank) to keep our payments exactly as they are AND still have the 7 year mortgage (so that we have no house mortgage debt when Braden goes to college). Pete was amazed (we had him on speaker phone) b/c all of the banks he talked to would not do a refinance for less than 10 years (which we don't want)

I told Donna that I wouldn't be there until 6:30 either AND I need to leave by 7:30 to get back to bedford -- so I'll be doing a two drink max w her -- but it would be great to intro all of you to her. she is dying to meet you esp.

do you have that guy's contact info?

I guess a loan is better than tapping into your retirement savings...but still.....i am happy Laura was receptive to you though...

This Friday Ike and I have a South School Social event at Carpe Diam ...a pretty new Italian restaurant around the corner from Blvd 18...They have a nice outdoor patio and I am hoping it is good weather!! this thing starts at 7pm...I probably wont be home till 6:30 and will rush to get ready...I think Ike will want me to go straight to Carpe Diam...I do think Donna should meet this man...but I don't think I will be able to be part of the mix this Friday...let me talk to Ike however...one drink at a different place in our town to make an intro to this guy wouldn't be such a big deal ..then we could scoot. This is also if the guy is available as well!

Hi. How are you?

I actually talked w Laura today about a loan from here. . . the conversation actually went very well. . . we could continue our "plan" of having no mortgage debt when Braden goes to college (currently, we only

have 7 yrs left on our mortgage). We have a 15 yr amortized mortgage. anyway, I can go into more details later -- but it was encouraging.

Wondering if you can / have any interest in meeting me and Donna this Friday in nc -- she would REALLY like to "bump into" the guy you know / recommend for her. OR do you have his contact info? I can only meet for a drink (or two) and then I need to be back in BFD no later than 8 pm for a bball party.
