[REDACTED],
We are going to have to skip the playdate tomorrow. I am sorry. [REDACTED] has a dentist apptmnt and I didn't get a chance to tell you until now. I have some other errands we need to run as well. I am not meeting with Lillian until Friday this week. As for August camps...the last week I have on my schedule is July 30-Aug 3 which is the St. A's Bball Camp. I am going to leave the rest of August open. We are not traveling at all in July so I think we will end up away the rest of August. We need to go to both South Dakota and to see Pat's parents in CO. In addition, I think [REDACTED] needs some time off to just do nothing. I also wanted to let you know that we have arranged to have Johnny come stay with us for two weeks in July. I will fly down to get him on July 14th (will get my hair done when I go to get him) and then his parents will come up to get him and for a visit on July 25th or so. Johnny is already signed up for the football camp and I think I will throw them in the Pura Vida camp for at least a few days the week of the 16th-20th. I may let them have a few days where I take them to do something else. Who knows at this point!! I am sure they will have a ball with [REDACTED].
