WHAT'S NEW

What's Happened to Kona K-Cups?

Kailoa-Kona, Hawaii - A beetle smaller than a sesame seed is boring its way into Kona coffee beans and threatening the nation's only coffee-growing region's premier crop.

More than 600 farmers in North Kona and South Kona, on the west side of Hawaii's Big Island, are preparing to coat their fields with a suffocating fungus and are taking other measures to save their livelihoods and protect the world famous Kona coffee brand.

Starbucks & Tassimo (Official Statement)

As you may have read, the strategic partnership between Kraft Foods and the Starbucks Coffee Company ended on March 1. As a result, we will be unable to offer Starbucks and Seattle's Best Coffee products for Tassimo once existing inventories of coffee are depleted. While supplies last, availability of all varieties of Starbucks and Seattle's Best Coffee for Tassimo... [\(read more\)](#)

Twinings Tea in K-Cups
