Truly unbelievable. The weather is not being fair or cooperative! I hope the rest of the season is mild for everyone's sake! Wishing you a swift recovery to normal!

> Jeanne! I'm so happy to hear from you! Extremely thankful to know you and yours are ok...so very sorry about the porch ..it can be fixed! Thank goodness...I cannot imagine the sounds of nature and knowing you just have to wait it out...terribly scary. When Sandy came through NJ and up the east coast our street was mangled with trees, wires and debris and almost all lost power...accept for our house...so odd? but we were thankful. Ty (my son) and I huddled together on our sofa and just wanted it to be done! AND THIS WAS NOTHING compared to what you guys have endured! We continue to think about you and I hope rebuilding will be ok...one day at a time...I hope these hurricanes are done for the season! Take care, Lesley
