LOVE the construction photos! It bring me joy to see youtwo having such a fun time! I have photos of the kids sitting inside one of those big claws from way back when we were renovating the house. . . they loved to run around the yard completely naked and the photo is the two of them sitting in the big claw with no clothes on. . . very funny! (and likely very blackmail worthy!!! --hahaha!)

I had this for supper the other night. Show Ty to help with his diet.

And, enjoy the construction lady photos... operating heavy equipment.

Diana tried her hand at operating some big construction equipment, but they didn't leave the keys so she was unsuccessful at flattening Randy.

Maybe you already saw them.
