HI JEFF!!!! SO happy to hear from you! What a fabulous idea to take my son to Tannens!! Thank you so very much! I had not heard of it, but I am positive he will find it fun and interesting!

I guess we will have to wait a few more years to actually have him join us at magic shows...I get it...

Hope you are finding success with the private/corporate events! Really appreciate you taking the time to answer my mail!

Hi Lesley,

Unfortunately all of my events right now are private and corporate events, and the first show that comes to mind is In And Of Itself, and I think there may be an age limit on that as well.

If anything pops up I will let you know. You could always bring him by Tannens magic shop in midtown - may be a fun experience for him.

Cheers,

Jeff

Hello Jeff. My husband and I were completely entertained when we met you at a Charity Poker night in NY city last Feb/MarchI am wondering if you might be performing on **Sat. Dec. 16th in NY city** as we will be visiting that night with our son (who is turning 13 on Dec. 16th) and has taken a huge liking for magic!

I have searched for magic shows this night and most are for adults only or age 16 and up... Hoping you will be performing or know of a great magic show we could attend as a family. We saw the Illusionists a couple of years ago...loved that also.

Thanks and I hope to hear back, !
