OMG! I shared [REDACTED] note and spoons with my boys last night at dinner...they were both VERY impressed with her achievements (including her had writing... ;) but mostly her efforts in wood shop and saving money)

Thank you for making it so nice for us...this and many times over the years.

I love the sentiment and am quite impressed with [REDACTED] and [REDACTED] efforts in wood shop (really nicely made spoons!) but also their endeavors to raise the money to pay for their plane tickets themselves! What a great experience for them (and you) all around.
