Dear Ms. Shuliak:

On behalf of the Admissions Committee we thank you for giving us the opportunity to review your academic credentials and achievements. I regret to inform you that you are not among those applicants selected for admission to the Class of 2016. These are times of very strong interest in dentistry; the credentials of our applicants have yielded more stringent admissions requirements than ever in the history of the school. We do sincerely regret having to decline your admission.

We wish you the very best in your dental education and we thank you once again for your interest in Columbia University.

Sincerely,

Laureen Zubiaurre D.M.D., M.S.
Associate Dean of Admissions
Associate Professor of Clinical Dental Medicine
Columbia University College of Dental Medicine
