Do you have a pic of your makeup round? 😊

NASCAR guy I like, but he has a reputation of being a major playboy. We've been texting a bit the last few days. He's going to a wedding in St Thomas next week and I will also be on the island the same time, so maybe I'll see him there. Going to invite him to the island for lunch. We'll see. Not going to get my hopes up, but it's been fun to flirt and help get my mind off other things.
