Your hotel

Mon Hôtel is a refined designer boutique-hotel hiding between the prestigious Avenue Foch, the Palais des Congrès, the Arc de Triumph, and the place de l'Etoile. An ideal situation between the calm of a very residential neighbourhood and the bustling Champs Elysées.

La defense, the business district, is easily reachable with the Metro Line 1, as well as Neuilly

Its cosy atmosphere and chic and offbeat interior design by the talented Aurélia Santoni and its snacking chic french products, signature cocktails served at any time make this haven of peace a hotspot of Paris life.

A place where you are welcome by day or by night. Alone, just the two of you, among friends or with the family, we make sure you have a pleasant stay in the capital, whether on business or for fun.
