Yay- slumberparty...minus the bugs and rain :)

Was [REDACTED] thrilled? I hope so- what a great surprise!

A few things:

1) Can I have a dress shipped to your place? It's shipping from NYC so I can get it faster than if I have it shipped here... and I want to wear it on Sat :)

2) do you have any good pictures from our weekend that you can send over?

Hey darlin! I was going to email you regarding the same! Of course you can stay with me! I'm flying to Manchester Sat night after the shower for [REDACTED] race on Sunday.
Weekend was good. We had a Bday lunch for [REDACTED] at JEs house and surprised her with her mom bringing the cake out..flew her in from S Africa.
Then [REDACTED] and I drove out to the Hamptons and stayed at [REDACTED] and [REDACTED] place for the night. Went to [REDACTED] for a clam bake and it rained the whole time! Not quite as fun as the last one we went to. Back in the city now gettin shit done. Can't wait to see you soon! Slumber party!!
(and you never intrude on [REDACTED]. He is very happy to have you whether he's there or not)
