JE has given me the following potential schedule:
He will be back in NY by Nov.19th until the 22nd.
Possibly fly to PB with [REDACTED] on the 22nd, spend one night there, then to LSJ on Nov. 23rd, otherwise he will go straight to LSJ on the 22nd
Back to NY on the 29th for a week
Zorro on Dec. 7th until the 12th
Possibly Aspen from the 12-15th

JE is asking for an update on the Gulfstream as well..
Thanks..
