indeed!

Back at the apt now.. went out to Saint Germaine area and walked around and actually sat in a cafe and had lunch with JE and one of his friends! Then rented one of those bikes from those automated stands and rode home on the bikes.. I am SO weak! and it was a bit scary riding a bike up the Champs Elysee. and hard on these cobble stone roads.

Now [REDACTED] eating stinky French cheese that I bought at a really cool French cheese shop that almost knocked you out from the smell when you walked in!

how is your day? it was a gorgeous spring day there. the paris marathon is here tomorrow and it ends on our street..the are setting up big tents all along Ave Foch for it.
