Everyday and evening there are 2 kids and usually a dog playing in the hall way kicking a soccer ball, shooting a play gun with foam balls,etc. It's not the nicest thing to come home after work and have to listen to kids scream and dogs bark for an hour or two outside my door. I've tried to ignore it, but it's getting to be quite annoying so I must say something. Would you mind kindly asking them(I'm not exactly sure which apt it is, but think it's 14D) if they could stop using the hallway as their playground?
