Aahh, that's annoying with the move.
Ok, I'll be here all week so just text me when you're bored.
BTW, I saw Larry go through all the emergencies on the plane and boy, he is good ! We always joked that he could probably shave while flying a single engine approach in bad weather.
Well, he actually took out the mike and pretended to shave in the middle of one emergency while still flying perfectly on one engine :) That's up there...I was pretty busy during mine.

Welcome back..
I have a thing at Story's aunt's house in connecticut tonight.. if I'm still here.. maybe something next week?
JE said story has to be out of 4M by this tuesday, so tomorrow I am busy packing up my winter clothes to make room for his clothes in my apt, and helping him pack. Fun.
