Hi Dani,

Thank you so much, yes, we did receive the sample yesterday.
From the samples you gave to me last week, Mr. Epstein has taken 2, to see them on the plane. And the rest are ready to be returned. Shall I messenger them to you?

Thank you very much for your help!

Best regards,

Karyna

Hi Karyna,

I hope you are well! I sent the navy blue hand tufted sample uptown to Jeffrey's apartment yesterday. Was it received?

This sample is 100% worsted wool, with a loop tip shear pile. This is one of the most superior carpets for high traffic areas.

Marc has agreed this is the product to use, as it is incredibly durable. I know you had mentioned Jeffrey was looking for something silk like but not silk. We can make the same navy sample with a blend of wool and shiny nylon instead of all wool which would add a beautiful sheen, and softness to the carpet while still remaining durable. Additionally, this carpet will pass all Fire testing's and is certified for plane use.

Please let me know his thoughts. I would love to continue working with you on this.

Best,
Dani
