Can you pls check on what Jen bought for snacks tonight? She said sandwiches, chocolates and macaroons. I also suggested some of the baked goods from Magnolia bakery, like the dessert bars cut into smaller pieces. Just want to make sure the sandwiches look decent and macarrons and chocolate aren't too skimpy. JE kept mentioning cakes, so I think some of the Magnolia things might be a good idea. They just opened at Bloomingdales on 3rd Ave street side
