Hi [REDACTED],

Thank You! I hope you enjoyed the holiday weekend as well!

[REDACTED] returned from his travels today and has been coordinating with Mr. Epstein about this project. We have a pile of samples that are for Mr. Epstein.

Would you like to come by this afternoon to review them and take them with you?

Thanks,

[REDACTED]

Hi [REDACTED],

I hope you had a great 4th of July weekend!

I am sorry for still keeping the samples beyond the promised return date, Mr. Epstein has asked for another 2 weeks if possible please?
I apologize for such a long delay...

Hi [REDACTED],

I am sorry for the delay. Mr. Epstein would like to hold on to 2 of the samples for another day or two if that is ok? And then we would return them all together if you don't mind?
Thank you so much!

Hi [REDACTED],

I hope you are well! I sent the navy blue hand tufted sample uptown to Jeffrey's apartment yesterday. Was it received?

This sample is 100% worsted wool, with a loop tip shear pile. This is one of the most superior carpets for high traffic areas.

[REDACTED] has agreed this is the product to use, as it is incredibly durable. I know you had mentioned Jeffrey was looking for something silk like but not silk. We can make the same navy sample with a blend of wool and shiny nylon instead of all wool which would add a beautiful sheen, and softness to the carpet while still remaining durable. Additionally, this carpet will pass all Fire testing's and is certified for plane use.

Please let me know his thoughts. I would love to continue working with you on this.

Best,
