## Notes

### Credit Card Reminder

If your order includes a backordered item or several different items, or if you've requested delivery to multiple addresses, your card will be charged when processing is complete for each item. This means you may see several separate charges that, when combined, reflect your total purchase.

### Shipping

Look for our email that confirms your order has shipped and use the tracking number to watch for the delivery date. In order to give you the best shipping rates, some items may be sent in separate packages.
