Greetings Sir,

September 5 photos for your review and comments:

MBR flooring - Pokey will work on Sunday - he is unable to come tomorrow

Pebble Beach cleanup - in progress - Jules says will be completed by next Friday 9/11

Cabana 1 Grohe shower fixtures - installation almost completed - Danny E has to shorten the neck on the pipe where the water comes out of the wall and into the handheld fixture

Cabana 2 Grohe shower fixtures - the valve cartridge on one of the fixtures is missing - the company is trying to locate a replacement and Anna will also try to find the part here on STT

Cabana 4 bathroom door - repaired and rehung

Cabana 4 bed - Anna purchased the new extra firm mattress - it is in place

Dining Terrace wall - a clogged spouting was the cause of the water backing up and dripping down the wall - the spouting was cleared, but the spouting going into the downspout will need to be widened - the wall was cleaned, and will be repainted

Kitchen cabinet doors - the hinges were changed so the doors no longer drag and rub together

Kitchen wiring - Jermaine tidied up the wires running under the kitchen table

Info Center roof - repainted today

Palm at Waterfall bench - the palm transplanted

New rocking chairs - purchased to replace chairs on the St. John terrace, MBR bath terrace and Blue beach deck

Landscaping - no progress photos today - all of the crew were focused on island wide cleanup in case you arrive over the weekend

Punch-lists - we are finalizing the start and completion dates to try to give you correct information

Respectfully submitted, Daphne
