What would an IQ of 500 or 1000 look like?

Josh Chevront, French Horn owner.
925 votes

Believe it or not, it wouldn't be good. I had a friend long ago with an IQ around 190. She had two siblings with around the same IQ. Both committed suicide in their late te... [Read More »](#)

How does death feel?

Lori Seiler
397 votes

Courtney, Sorry everyone but my death experience was DIFFERENT. I died at the age of 6 on the operating table during a surgical procedure, and was revived 10 minutes late... [Read More »](#)

How scientifically inaccurate was your book in the beginning, and how did you accept the feedback from scientists?

Andy Weir, Science fiction writer. Author of The Martian.
506 votes

I got it mostly right. Originally, the book was just a serial I posted to my website a chapter at a time, so my readers would point out minor errors as they came up and I'd... [Read More »](#)

How slowly can light travel?

Ignacio Cabero, Self-taught high school amateur particle/astro physicist
504 votes

A common misconception is that light travels at different speeds

through different mediums. People say that the speed of light *in a vacuum* is c , and then say that the speed ... [Read More »](#)

Could a person wrapped in enough bubble wrap survive a fall from an airplane?

Robert Reiland
1.6k votes

Wrapped with a huge amount of bubble wrap, your terminal speed might be as low as 50 m/s. To have a good chance of surviving you would need to slow at the rate of less tha... [Read More »](#)

Will Donald Trump beat Hillary Clinton?

If your car is out of control and the brakes have failed, will putting it in the reverse gear slow down the car?

Ron Shipe, USMC [ret] pro gun, good guy.
667 votes

I, unfortunately, saw that happen once. My first car was a 1952 Mercury. Yes, I'm that old. That thing had a flat-head V 8 with a three speed automatic transmission. Ke... [Read More »](#)

I'm visiting the USA soon. What are some things that are frowned upon in public?

Adam Roddy
1k votes

The only problem I've had with Indians (or South Asians) in the US is when they stand so close when in line. Some people will stand a couple inches away, and think nothing... [Read More »](#)

What do intelligent people do to waste time?

Patrick O'Neill
