Jason Calacanis

New research shows that sugar not only will give you diabetes and make you fat, but too much will cause cancer tumors to grow and fill your arteries with plaque that causes strokes and heart attacks.

100 grams a day or less (a 20 ounce bottle of coke is close to 70 grams of sugar).

60 Minutes: <http://www.cbsnews.com/video/watch/?id=7403782n>

10 Minutes - That's how long it took me to remember some of the most valuable things in life. In 10 short minutes, I was emotionally energized! I want to go do something nice for someone.

We are so quick to take things for granted. Not just in our own lives, but in others, too. You're right, you may be fighting an ongoing battle. Uphill. One you feel you will never win. But someone, somewhere, has it worse. And yet, they manage to find that one thing, that tiny piece of the puzzle, that allows them...

Zero

[youtube.com](#) - In a world that judges people by their number, Zero faces constant prejudice and persecution. He walks a lonely path until a chance encounter changes his life forever: he meets a female zero. Together ...
