Dear Jeffrey,

Ah gutten Chodesh!

Here are some people with whom we've interacted recently:

- An investor whose business deal had turned sour, and he dealt with that disappointment by bringing us a check for the *ma'aser* he will earn if the situation turns around
- A businessman from New Jersey looking to hire someone in need of a job, after hearing Mr. Rosenstock mention our job placement program during a radio interview with David Lichtenstein
- A man who works at the OU and uses his spare time to run a Tomche Shabbos program, through which 10,000 pairs of children's shoes are sold at cost price to low-income families
- A 13-year-old girl who gave us the *ma'aser* of the money she earned from her summer babysitting job
- A *rebbe* who took the summer off but still dedicated some time to learn with a teenager at no cost

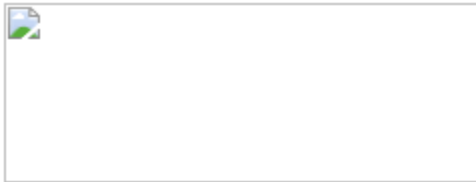

This month, Klal Yisrael mourns the destruction of the Beis HaMikdash. We will read stories of the *sinas chinom* that brought about our nation's exile, and we will commit to developing more *ahavas chinom*-to exhibit more understanding, more sensitivity, and more tolerance to our neighbors and friends.

At Tomche Shabbos of Rockland County, the revolution is already taking place. Here we meet people-some of whom you may encounter every day-whose outstanding *ahavas chinom* is already changing our world. In the merit of these

heroes among us, may we see the end of all pain and suffering speedily in our days!
