Dear Jeffrey,

Candidate below. Why no Americans ? New criteria..
Its the easiest to meet you and to have work permit

How do you suggest to advertise position if I can't use a real website of Enhanced education which is requirement for normal job advertisement . So I can't put a normal job add.

Any ideas on how to get quality candidates would be appreciated !

Kind regards,

Maria,

I am writing in regards to the personal assistant position for Enhanced Education. I am very interested in this position and believe it would be something I will succeed in. I am almost finished with school and I am 23 years old. I am smart, bright and full of adventure and hard work. I have attached my resume and photos below.

Thank you for your time and consideration,

Brittany Ham
