 [This Week on Kickstarter](#)

JANUARY 03, 2013

This week's projects produce musical lightning, introduce a pair of star-cross'd puppets, and bring pet rocks back from the dead.

 [oneTesla: a DIY Singing Tesla Coil](#)

Sound of lightning

A DIY electronics kit designed by two MIT students, oneTesla transforms sound into artificial lightning. Use simple tools to construct the singing Tesla coil in a weekend, then connect a keyboard or computer to trigger two-foot-long musical sparks.

 Location New York, NY

Romeo + Juliet + Puppets

Wherefore art thou, puppets? The Puppet Shakespeare Players pay tribute to the greatest love story of all time with a contemporary take that keeps all of the poetry — and adds a whole lot more felt noses and googly eyes.

Undead friends

We're just days into 2013, but this project video definitely qualifies as one of the year's best. Ever wonder what happened to the pet rocks of childhood? They're baaaaaack.
