Why do so many people still believe we have been to the moon in 1969 despite all the evidence (that we haven't) 50 years later?

Glenn Rager, Life is good. Results may vary. Subject to change without notice.

59.8k views

Evidence that we didn't go to the Moon? Do you mean evidence like: how some of the 400 thousand people employed by the Apollo program (or 20 thousand other support personnel... [Read More »](#)

What things should I master/get really good at before 25 that will give me the best head start in any career?

Peter Nguyen, Private Personal Stylist for Successful Entrepreneurs

459.2k views

Great question.

Here are 8 things that accelerated my career recently (in my 30s) that I wish I learned in my 20s: [IF IT CAN BE IMPROVED, IMPROVE IT]... [Read More »](#)

How do I get a 3.6 in Google Interview?

Ross Bagley

283.5k views

You earn a 3.0 if ☐ excited about the possibility of you being on my team. You earn a 3.x if ☐ going to be annoyed if you're not hired. You earn close to a 4 if ☐ pre... [Read More »](#)

What should I do about my 17-year-old daughter?

Kelly Coffey, In pursuit of synthetic happiness.
88.2k views

Hey, I was a 17 year old girl not too long ago! I vividly recall telling my mom that she was, "The absolute worst," and that "I should just kill myself." When you're a 17 y... [Read More »](#)

What is the point of a computer science degree when people say that it doesn't prepare you to become a software engineer?

Lizzie Siegle, CS student, hapa, tennis fan.
153.4k views

■ a sophomore CS major who has thought about changing it to a minor hella times because you know what? It's *tough*. It *takes time*. I've *cried*. And you know something else?... [Read More »](#)

If the earth rotates, why don't we see it doing so from space?

Chris Lockwood, Digital Illustrator, Herring Design
50.7k views

People often see animations of earth rotating on TV in the opening of news shows, sporting events and other kinds of motion graphics, but those are just animations. And the... [Read More »](#)

Do the Yakuza still exist in Japan?

Serina Kurahashi, Aspiring Movie & Book Translator
154.4k views

Yes. They're basically like shadows - you might not notice them but they're actually everywhere you go.

Many girl bars/clubs, brothels, love hotels and other such busines... [Read More »](#)

How do I know if ■ a bad programmer?

Jim Clack, Master of none.
114.9k views

You struggle with new apps? That's a great sign. Bad programmers dive right in and start coding. Good programmers wrestle with a problem, thinking of different ways of lo... [Read More »](#)

I am 25 and I have been offered a job as a Lead Software Developer in a very young startup consisting of two co-founders. Should I accept the offer?

Alessandro Daliana, Strategic Leadership Coach

107.6k views

Don't be a fool! The deal as you wrote it out has a number of flaws in it.

1. "you've been offered the job of lead developer" which is then described as an "internship" that be...
