Subject: Personal Invite from Al Seckel and Isabel Maxwell: Celebration of the Mind: October 23rd (Saturday)

Date: Wed, 20 Oct 2010 22:50:03 +0000

Jeff,

Why don't you come and visit us and do something really fun for once.... ;-)

Al Seckel and Isabel Maxwell

Invite you to join us in

**Celebrating the Mind: Delightful Recreations celebrating the life and work of
Martin Gardner**

Saturday, 23rd October 2010. 2:00 p.m on

at our home in Malibu

**Ok, so many of you have heard about our fantastic themed parties!
This one will be "over the top"! Our best one yet! We have strict limited
availability, so you need to officially register to attend. Link at bottom
of email.**

What we will have:

Games, Puzzles, Mazes!

**All sorts of very very cool interactive and recreational stuff for the mind.
Puzzles, mazes, games, virtual reality, etc. So, much fun!**

Magic Galore!

There will be about 20 world-class and famous magicians performing throughout the event! We will have more magicians featured than the Magic Castle!

Incredible Impossible Objects and Bottles

Featuring the work of the incredible magician Jeff Scalan

Origami:

On Display: An incredible collection of prize-winning master origami sculptures by Robert Lang and Chris Palmer

Help Build an Amazing and Enormous Tower Flower Orgami

Origami master Chris Palmer will lead people through building an amazing Tower flower. See the video here: 

Building Geometrical Structures

Help Build an Amazing Geometrical Zometool Structure

Zometools is a plastic construction set which lets you quickly and easily build edge models of many complex polyhedra. The range of things which can be built with edges goes far beyond what you can build as paper models. The structured design of the parts guides you into making things that you didn't know that you could make. Team leaders will lead a volunteers into making some pretty amazing large scale structures.

Out of Body Experience

AI will demonstrate the amazing "out of body" and amazing Time Freeze Illusion. You will really have an out of body experience. Time will Freeze! This is an amazing effect!

Special Guest of Honor

Nolan Bushnell, the Founder of Atari, and considered "the father of computer gaming and entertainment" will be a featured guest. Bushnell has been inducted into the [Video Game Hall of Fame](#) and the [Consumer Electronics Association Hall of Fame](#), received the [BAFTA Fellowship](#) and the Nations Restaurant News "Innovator of the Year" award, and was named one of [Newsweek's](#) "50 Men Who Changed America." Bushnell has started more than twenty companies and is one of the founding fathers of the [video game](#) industry. He is currently the founder and CEO of [uWink](#), a game-based restaurant startup, and the Chairman of the board at [NeoEdge Networks](#), an advertising-based video game company. Nolan will be bringing some wonderful new electronic games for you to enjoy!

Food and Drinks will be served

Gourmet food and drinks will be served. There will be a charge of \$25.00 to cover the cost of the event.

For Sale

There will be a number of people selling custom crafted puzzles, unique objects and toys, and impossible bottles, not available in stores.

Location

The event will be hosted at the beautiful Malibu home of Al Seckel and Isabel Maxwell with beautiful panoramic views of the ocean and mountains.

Address will be provided upon confirmation.

Registration:
