Subject: Jag trade in

Date: Tue, 18 May 2010 05:09:58 +0000

Jeffrey,

I drove the Jeep Liberty that Story recommended, it is very clean and a good driving car with plenty of horse power, however, it was only 2 wheel drive, I believe a 4 wheel drive would be a better choice. The trade in price for Jag was 11,900 but NO discount was given on the Jeep Liberty, the asking price Story was told was \$15,900.00,, I found the internet price on the Jeep to be advertised at \$12,900.00, when I told the sale person, he informed me that he quoted Story full retail on the Jag trade in and full retail on the Jeep, We can get the Liberty for \$12,900 but he would lower the Jag trade in to \$9,000.00

Here is a 4X4 Jeep Liberty I just located on the internet, I will confirm if still available:
