WOW. Lot to take in here.....

First thought that comes to question is this.....Will George be able to please her like the Stripper did in the Big Easy, its a big task George, your work ethic and dedication to that act come into question, but I am confident that you will find a way, God Willing.

Second thought to hit on, is one in which George already hit, which maybe a bit Drug Store Psychology nonetheless, it still deserves attention..

Well, George, you officially have Graham's Blessing.....which is kinda like getting a hand job from a hairy dry skinned calloused man with sand paper fingers.....it might be nice, but you know in the long run its gonna hurt.

I would also like to accommodate Jenn for her willingness to get past George's "little" problem....And I do mean little. But he's Asian, he can't help it.

So, I bid Beauty and the Beast.....I mean Romeo and Juliet good luck and Godspeed.

Hey Fellas,

Just wanted wanted to tell everyone a funny story...

At my batch party, it was a true Romeo and Juliet story between 2 individuals. Here's how it goes...

A slanted eyed person of non white descent hungout with a gal who is related to me...

They decided after some long hours hanging out in the Big Easy that there might be something there...

After the big party...the slanted eyed person decided that he wanted to see where things go...

The slanted eyed individual traveled to NY to visit a relative of mine for a long weekend... And they had fun...

Thus, the slanted eyed Asian man who went to Northwestern decided to visit my relative again for another long weekend in NY...

Amazingly, they had another good weekend...

Now, my relative, [REDACTED] was confused that the slanted eyed Asian was a NICE GUY...

Now, my relative, [REDACTED] slanted eyed Asian from Northwestern who likes to almost miss airplanes because of alcohol in his current home of Boston...

They had another good weekend...

Now, in case you don't know who I am talking about...

As such, at my wedding, I feel that everyone needs to embarrass the Asian man and see what happens! I

Love, Graham
