Jeffrey:

Gary is having internet computer problems at his office and he wanted to point out that on his Budget Summary – [Item #5 Main House East](#), the figures are incorrect. The correct figure is \$45,000 instead of the \$198,000 that is shown.

Call me if you have any questions.

Agenda

--- review the attached order of magnitude budget along with a timeline that I will bring with me. I hope to get your reaction on my guess on putting \$'s to your vision, as well as discussions on priorities and timing.

--- review main house master planning as to how the new main house fits the overall complex. I have some issues on the current plan.

--- review master bedroom exterior col. Detail by Gensler

--- Stephen is sending you plans to review
