Jeffrey,

I was hoping to see you in person to ask for your assistance for my son Marc's tuition for his senior year of high school, but circumstances have not allowed this to happen.

Total tuition for his senior year is \$ 10,168. Last year's tuition was \$ 9,430.

Also if there is any way that you can sponsor him so that he can play summer ball and travel to several tournaments that will be held nationwide for college baseball scouts, it would mean a lot to me. With his

excellent grades and baseball talent, these tournaments will give him a better opportunity to be able to earn a scholarship. At this point I wish I could afford to do this myself and not have to ask for your assistance, since you have already done so much for me and my family, but unfortunately I cannot do this without your assistance. The cost for him to play on this showcase team is \$ 3,000 which only covers his fee for the tournaments and hotel stay but does not include his airfare and food during these week long tournaments.

If you can sponsor him for the \$ 3,000 only that would be great and if you can sponsor him for more to cover his airfare that would be even better, I will pay for my own way because I will need to travel with him, so whatever you can do to assist me I would greatly appreciate it. If it would be better for you if we talked in person please let me know when you have a free moment so I can give you a call.

Thank you

Sincerely

Emad Hanna
