Hi Jeffrey, dont think I will be down again before you are out, My housekeeper in watermill quit and I have to find someone for the summer, The house is where i keep my art so I have to be carefull. Are you coming up to ny after July? I told everyone your brilliant call on the market. Everyone asks me how you made your money, So I tell them that you invented a legal straddle on options which no one had thought of Still nothing from Elizabeth, should I just kidnap her >before, That shuts them up because no one even understands what I am talking about.
