Hi Brice,

Please refer to the three units listed below that are rented but still available for sale. A used hammer "H65" for any of these units will run around \$11,500.00 EXW Miami and we have some in the rental fleet.

These units are rented so swapping them out and getting ready for delivery could take two weeks. Please let me know what you decide.

Export Price \$52,800.00 EXW Miami

Export Price \$65,600.00 EXW Miami

Export Price \$55,500.00 EXW Miami (with bucket)

Thanks,

Juan López
