Hi Jeffrey,

It is nice to e-meet you and thank you Gino for an introduction.

I'd be happy to facilitate meeting with my dad sometime next week. He'll be in NY Sept 5-7 and be available to meet during the day on Sept 6 or 7.

Here is quick recap of my father's unusual accomplishments:

1. He has been involved in the non-traditional medicine and energy healing for over 40 years since early 1970s.
2. He has been involved in extensive research in that field from late 70th till late 90th
3. He has been involved with military and government programs in formal USSR in the fields of healing, predictions, subconscious influences and addictions
4. He has developed a proprietary system for elimination of alcohol addiction with over 95% success ratio
5. Had developed similar addiction related systems for smoking and drugs
6. He's been involved in longevity research and developed unique holistic dietary and lifestyle preferences

I hope it provides sufficient background information prior to meeting.

Let me know what day is good for you to meet in NYC.

Andrew

Hi Max,

I've cc'd my benefactor, Jeffrey Epstein, to this mail. Would love for your dad to meet with him on Sept 6th. Can you also send Jeffrey info about his background, especially work in Psi?

I'd also love to meet with him the next time I am in Chicago or East Coast. As I mentioned to you in our meeting, I'm planning a series of gatherings between scientists and people with special abilities.
