Dear Jeffrey,

It was good talking to you. Zubair said that he showed you his new start-up. He is so excited about this new product to work out!

I received the bill for the second part of Berkeley summer housing. It is 2.417 USD for remaining 6 weeks on Berkeley campus. It is a dorm with another lady in a room where I stay since May. She is Finnish and very nice so I got used to student housing :D Please let me know if I may send it to Bella.

Hugs from the most beautiful campus and amazing University, Berkeley :)
