FYI Mary continues her private practice in psychiatry, on the board of our local Temple and is busy in our gardens.

Thanks so much for responding so fast. Ill have my daughter sent her resume and a cover letter later today.

I assume all is well; I sold my practice to Northwell Health and work for them; they took at 20 (+10) year lease on my building. I'm chief of oncology at the regional Northwell Cancer Institute at Huntington/and Huntington Hospital.I'm starting to get real tired.

[REDACTED] is a certified dietitian/nutritionist and presently works at SUNY Downstate ;she lives at 46th St off 2nd Ave; my son [REDACTED] works for Toll Bros and lives in Hamilton Heights; and baby [REDACTED] (19 yo) just finished her first year ay University of Kansas. Emily has great training ,is really hard working and has a upbeat engaging personality. She wants to be in NYC and this job would be in oncology; something she really would like to do and she would be excellent at it. Previously worked at Lenox Hill; she can get excellent recommendations

Please call me [REDACTED] or invite me to lunch; I'd love to hear how you are doing,really.

I truly appreciate any efforts on yours/[REDACTED] behalf. Michael
