Your question made me happy.. i don't remember when i was asked to tell about my life! make a long story short -is simply full filled by everything-little happy moments, sadness, questions what can i do more, how to be better women, wife,dancer, daughter, how to be able to help, how to know more,how to be able to earn money and stand on my own feet..i am still free, but sometimes I appear in my own mind jail. but the surface of my life is simply good. somehow i am still on the wave of dance. I am independent performing artist- ballet dancer! [REDACTED] am not complimenting myself, it just the only one exclusivity I have.:) two weeks ago, i was in my biggest fulfilment , joy and fair.. i did solo piece in Opera and Ballet theater as a guest dancer. The neoclassical piece was created especialy for me by J. S. Bach music..Critical articals of this event (Creative Impuls) gave to me most of attention..it was a sentence .." [REDACTED] .. I can't deny that it touches my heart..its the only thing i get in return of what i do. and it a first time they speak about my dance, not about my looks...its hard to discribe the feeling..after so many years my dance finally reached the emocional touch of people hearts..also my own heart! i don't judge myself any more for my imperfections, my limited technic,i just enjoy of dancing a music!The other project i have - is Lonely Lips.comerial, vitage project! we are three girls, creating programmes inspired by 20's, 40's 50's..i am very bad buissness women but i am doing my best to sell this project for events.i still can't affort a manager but step by step I will reach that point:)but the biggest achievment with Lonely Lips- is my tour to Swiss to perform for Chopard in St. Moritz, Hotel La Richmond in Geneva and Raphael Clinic in Geneva. i was just very lucky one day to meet Renee, the director of Chopard, i was introduced by my dear friend Kathy.sometimes i can't believe how life is generous to me, giving me such a chance to know such a big powerful people.it have started from you Jeffrey.you opened the ark full of treasure. i often remember my tome with you! regarding successful tour to swiss i really hope its not a first and last time. finally i made the amount of money which i couldn't realise i am worth it.of courses is not that much, but for me its a lot!:) i put it aside as my biggest luck,and i really hope i will be able to add more in my saving of doing what i love to do.

I have to mention, that i have very loving, caring, intelingent, wise husband who always supports my side, who does everything the best for me. after 7 years of our relashinship he looks at me the way he looked in begenning! it means a lot for women inside me. of course we argue, but without that how can we grow together as a better people to each other and to others.

My dear Jeffrey, its not easy to tell how life is in such a short letter..i would love to sit next to you and talk, i miss to listen you and i really want to know how you're doing! and i wish for [REDACTED] to meet you one day! maybe it will happen!:) i always have a hope!:)

Sending you best wishes and lots of kisses! Best reagrds from my husband. we are very appreciate for your hospitality and tickets to Broadway! we will never forget it! You are the king of generosity!
Lots of love!
