cc say to call the office to speak to her and say its a family emergency iiGuess she have something to tell you.... and she make friends she look like she's having alot of fun,, every time i her she's smiling,, and my cabin girls are a lot of fun. I have to teach them how to dance because they dance like [REDACTED] but everyone's cool,, and it have this one black boy that's always trying talk to me or come around me..... the girls are kinda weird here,, they hook up or whatever they call it with boys they don't go with.
