Dear Daphne,

Yesterday, when I saw you, I forgot to ask you whether you can book the plane ticket for Bartholomew for this coming Sunday.

This is his graduation year and he has final exams starting Monday. He did some assignments while on the Island, and he also helped me a lot, but he must go this Sunday home, so he can graduate and not repeat the year. The best would be the direct flight to NY, if this is possible. His uncle (my brother) will pick him up from the airport in NY. Any direct flight to JFK or Newark Airport, NJ would be fine.

Thank you and God bless you,

Brandon

Well, we went to the store, but the all stores were closed. I suspect, tomorrow will be the same, I do not know.

The problem that I had was with Mr. Epstein. The pictures that Ann took on her camera, some of them were OK but some of them were brown.

I showed you the photos I took before I went to NY, there was a lot of pictures brown. Mr. Epstein did not understand the brown color. He thought, I am re-doing his Library to his displeasure. It was emergency and I corresponded with him till 10:30 last night trying to explain to him that the photos are wrong. How can you explain, the photos did not depict real color? In this case did not, and Mr. Epstein was furious, to say at least.

Today, after the Mass, I took some pictures on my Canon Camera and they came out well. He quieted himself after looking at them, but asked me about what do I intended to do in his Library. After explaining everything he was OK. This is not very easy project for me. Mr. Epstein did not communicated with me from the beginning and mistakes took place. Right now, we are on the road to the finish.

Kindly,
Brandon

PS. I spoke to TJ. I asked him whether he could return to his wife. He told me, he has four children with three different wives. So, I asked him again, if he would go back to one of them. He told me there is a possibility he could go back to the first wife. When I was going to NY, he asked me if I can bring him a girlfriend. I do not play games, so I told him: TJ you had three wives and you have four children to support, what kind of girlfriend would go with the man like this. He got mad, as I devalue him at this point. I will not say anything anymore. I just do not understand thinking like this.
