I wrote you a Skype message, hope you've seen it.

Wanted to say you everything on a menu, just if you have time to think about it, sorry for using your time and attention, I am very thankful

So , this is the task of the days :  
or I would say of the years

I want to go to New York or Paris , I don't think of New York because  
Im so not believing in a visa , thats like an unreal dream for me .

So Paris is easier, much easier, and anywhere is easier , when you satisfy the main things for the embassy :

you prove that you have sources (i usually take care of it with all fake bank papers and salary papers)

you give them A GOOD reason to let you out with all the checks and payments

and you prove that you have accommodation

and then you prove that you will not stay there or run away there.

Uzbekistan has a problem, everybody runs away from there. thats why they are so strict.

Now, according to that, there are several ways which I know to get a visa : study, work invitation, tourism (which is short term) , marriage.

As I CAN NOT afford any of these ways, Im staying in Uzbekistan.

trying to do my own work for a future,  
now I got my school experience, and Im so happy to have a computer, that gives me so opportunities, but I still can not shoot, because I don't have camera . I can't earn money on that talent.

Thats why its sad to go to Uzbekistan, because stuck again.

I became so happy that I found what I like in my life, I want to study drama, Im in love with cinema, I tried here so many times in school and people loved me.

I dream to build up the whole movie and I have a brilliant script !  
with all the self-made music and frames.

and the fact that I have a big dream so stable means a lot to me.  
thank you for that.

[REDACTED] got me a ticket back on 23rd of september, that was before stamp, so could you please ask her to contact me to change the dates of it , because I went to Turkish Airline to do it by myself, and they refused, they told the owner of the agency who bought it should change it.

Im afraid to overstay not having a ticket back, because even in case of emergency I can't buy a new one, all I have is 40 euros.

and yes, a much bigger ass ))))
