I'm at a loss about what to do.. Your are my best friend I love you as much as you love me. , no matter what i say, it seems you do not understand the concept of consequences . You cannot make a deal, not complete your side and expect the deal is still in place.. IN the past i recognize that you and your parents have had difficulty. I am not your parents.. they tell you if you don't do something there will be consequences. you ignore, them, and get upset when the result is unpleasaant I have spent the entire day yesterday going through the house cleaning your mess. dog shit included,. I made it a point not to have any conflict with you before, you left. I REFUSE to live like this, You must think i am joking. You left with no food in the house. rotten food in the fridge , radishes with mold, rotten and green bread, though i told you on friday i did not want an empty fish tank on my desk, you chose, not to do anything at all, except tell me that Louella will buyand chose Why because you were too busy. to go yourself Dead , smelly flowers, that i have repeatedly asked to be changed,left with dead leaves all over the table. Whole foods had plenty of choices of flowers . , You tell me its danas responsibility to organize the food now that you are gone.. you didn't tell her anything... Dana is staying until wed, , i would have her stay the week but ghislaine needs her.. The magazines that i told you looked like a doctors office, you simply left month old magazines, for who. not me, . When I ask what did you do. , you get upset.. THIS IS BULLSHIT> people work , I work , I get up every day to work, YOU spend two hours making a soup and you feel your day is done. You serve me the shittiest of bacon, why, you say because it was in the house, ? is it because you don't know better, didn't ask, can't read, can't see, can't taste. cant yet understand how to make eggs, and refuse to ask anyone who might know. Your focus is on what you get , on what you get, on what you get, classic0--- any thought of me ZERO, sperm on demand,, ---any thought of me, , ZERO, .. THIS IS A HAM AND EGG LIFE> it is not for me.. YOU have not done as you have said you would. lets discuss when you have uninterrupted time,,
