no , I have not seen the coconut oil,, I love you , the house didn't work the girls didn't work , the food ... I have no suggestions.. with re [redacted] I'm sorry you feel you get less attention... I thought that you were merely helping me. ,, I'm sure with reg the breakfast that you didn't put it in an airconditioned car for 30 minutes to test. This is silly I asked you to put yesterdays food in the car-oven.. if it didn't work, then Igor could have gotten hot food in the usual diner. re plates even a paper plate would have done, you assume all these things that often turn out wrong, if you had just asked i wouldhave told you. I am very cranky.. I'll see you tomorrow..

I ordered a new one and then spent 2 hours testing ways to keep the food warm for 45min. It worked perfectly. I gave Igor very simple detailed instructions about heating it and told him to wake me up if he couldn't do it. I guess I could have stayed up but I took the ambien from[redacted] hoping to get some sleep.

Even though I can keep pretending it doesn't hurt my feelings that my birthdays, xmas and anniversaries are ignored every year but you consistently go above and beyond for[redacted] on every occasion, rubbing it in my face by having me work on her custom seats while she is behaving like a brat is a bit much.

It's not important in the scheme of things, I haven't brought it up for years and I can continue to ignore it but it is not fair to have me work on those seats .

dear,, I guess if I had some sleep i would find the continued screw ups funny,, cold breakfast again.. inedible.. no coffee cup, the car stinks. I do not want to argue.. I asked you to help me with[redacted] present. you said I would 'rather not"/ ok. I thought we agreed you to take care of the girls at the house,, you said , if I don't - will you say i didn't/ .. ok The dog continues to dirty the carpet. I have repeatedly asked for you to get rid of peabo. no change. ok I have suggested you actually learn photography,, you haven't . cooking you haven't , the girls issue is past. you did it your way,,, for the past three months,. I like the fact that you are having fun, I encourage that. but lets not confuse it with being a help for me.. This weeks sloppiness has caused a whole new set of issues.. I share in that stupidity. As your focus was more on who was to get[redacted] first, and the griping about sarah, than being certain to make things easier or nicer for me , I have only slept for two hours in two days
