David another crazy Saturday with Steve. Just like last weekend I shared - read from bottom.
I am speaking with Katherine and Denise now trying to calm things.

Another of Steve unprofessional outburst.
Geoffrey I cant seem to enjoy my days off without Katherine calling me in tears. She hates being alone at work with Steve around. She told me that the front desk really dislike Steve and the F&B team Chef.

Earlier Erin came to me and told me she has been speaking to some guest and they told her they chose us because we were cheaper than everyone else. She was very upset that was the response she received. She just wanted me to know about it. I told her we do have promos going on and I have noticed a lot of the guests are booking the 5 night promo. Steve came in and I noticed they were talking. He then came to the front desk and asked about the rates I told him how much we are selling for and he automatically goes "That is bullshit cheap ass rates, we're giving a room out for free might as well sell them for \$1.00".

It was so embarrassing because he did it at the front desk.

Just wanted to give you a heads up.

Thank you
