Jeffrey,

Both Crowley and Sea Star said the boat will have to have something built in to secure the Jet Skis.

If we ship the Jet Skis via Tropical based on the measurements Larry gave of the crate it will cost about \$700 to \$800 to ship each unit.

Thank you

Larry,

If these units are not made in the USA than we will have to pay a 6% customs tax other wise there is no tax.

And also they will have to properly crated otherwise Tropical will not accept them

Jeffrey,

I inspected the Seadoo waverunners and Yamaha wave runners, Both have OTS (off throttle steering), and reverse. seems that Yamaha is best choice for St. Thomas for service according to Brice,.

The 2011 Yamaha VXR 3 person wave runner with sport seat is my recommendation: its a **NON-supercharged model** with, OTS, reverse and boarding ladder in rear if rider falls off the unit, or goes swimming etc,. speed is 63mph for the VXR non supercharged unit, compared to the supercharged units that top out at 77mph+,.

list price: \$11,548.00 each (silver in color, see photo),. two silver and one black in stock in West Palm beach,. Total, no Florida sales tax: \$23,096.00 (however, Emad pls confirm we'll pay tax on arrival in St. Thomas with customs?)

I can purchase both units for **\$20,500.00 out the door**,. they will deliver to Tropical for shipping to LSJ,.

is this approved, wave runners in silver?

thank you,

Larry
