hello old boot

i love you

just wanted to say that

as 2017 comes to a close

I know our lives have split off into different orbits now

there's an energetic ocean between us that not even I have felt like crossing...

not sure what happened, too much water under the bridge maybe, on both our parts

i went to Australia and met another power player for a hot flash and then met an amazing english entrepreneur who promised me the world only to vanish because he got scared of his own feelings.

and that you fell in love with a Ukrainian dentist with whom you have gone onto build a life that nourishes you.

and that I have barely stopped star gazing.. and probably never will...

It's been an good year on so many levels filled with so much travel and fun.

Getting divorced has been an interesting process, and I must say [REDACTED] has been an absolute gentleman throughout the entire affair, I suppose knowing deep down that this was always going to come to pass.

At least I am no longer fibbing to myself and feel more in alignment with the most essential part of me.

Thanks for forwarding me the video of [REDACTED] he is quite the heroine.

[REDACTED] gets married this coming year in Israel. Can you believe that. Holy Mount of Olives...

I hope re-building on the island has not proved too difficult a task and that your health is in fine fine form.

Wishing you the best of everything always,

To a bold and gracious New Year.

Happy New Year 2018 !!
